EDUCATION

Indira Gandhi Delhi Technical University for Women	Aug 2023 – May 2027
B.tech in Mechanical & Automation Engineering	*Kashmere Gate, Delhi*

EXPERIENCE

AssetMerkle - Website Co-ordinator 🔗	Sept 2023 – Present
Technical Team	*IGDTUW, DELHI*

- A Web3-based club focused on promoting the significance of Blockchain and web3 technology in various industries and providing a platform for students to learn and collaborate.
- Spearheaded transformative changes across pivotal sections including Event Pages, optimizing layout and content to drive a 25% increase in event registrations and a 20% boost in attendee satisfaction rates.
- Successfully tackled and resolved responsiveness challenges within the website, ensuring a seamless user experience across various devices and platforms.
- As a dedicated Frontend Developer, actively engaged in advancing expertise in ReactJS, leveraging cutting-edge technologies to optimize and enhance website performance.

Taarangana - Website Co-ordinator 🔗	Oct 2023– Present
Technical Team	*IGDTUW, DELHI*

- As the Website Coordinator, worked in the development and enhancement of the Gallery Page Frontend, contributing to the visual narrative of the fest.
- Engineered a cutting-edge tech stack encompassing HTML, CSS, JS to launch dynamic and engaging features on the Gallery Page, resulting in a 40% increase in user engagement and a 25% rise in page views.

PROJECTS

Tech-Treks | *HTML, CSS, JS, GitHub* 🔗   🔗 **Github**

- Engineered a user-centric website prototype in LeanIn Hacks5.0, optimizing load times by 50% and enhancing user experience, leading to a 30% decrease in bounce rates and a 20% increase in session duration.
- Tech-Treks is an innovative online platform tailored for non-technical fields, aimed at providing a comprehensive repository of resources and practical insights
- Integrated chatbot for seamless access to a wide array of resources and personalized assistance, enhancing user experience and accessibility for individuals across various fields

Portfolio Website | *HTML, CSS, JS* 🔗   🔗 **Github**

- Established an online presence with my Portfolio Website, meticulously developed to showcase my skills and achievements.
- Seamlessly deployed the website on GitHub, ensuring accessibility for a global audience and collaborators to explore my portfolio.
- Experience firsthand the interactive features and responsive design implemented using figma, CSS and JavaScript, creating an engaging and user-friendly browsing experience.

EXTRACURRICULAR

- **LeanIn Hacks5.0**: Participated and Successfully created a Website for Non-Tech field in the Hackathon. 🔗
- **GDSC** : Pioneered a training program at GDSC that delved into Data Structures and Algorithms (DSA), leading to a 50% enhancement in problem-solving proficiency and a 30% boost in algorithmic thinking skills.
- **Include herCohort 4.0** : Participated educational sessions for Cohort 4.0 with SheBuildsOnAzure, focusing on AI basics and practical chatGPT utilization; with essential skills to leverage advanced technologies in their respective fields. 🔗
